## March 2021

## Report Cards

for all grades will be sent home on **Thursday, March 25.**

It is unsafe for children to be dropped off in the staff parking lot as they need to navigate the traffic caused by the arrival of staff vehicles and cross the bus lane to enter the school.

**Please drop:**

- K-3 students at the K-3 circle.
- 4-6 students at the 4-6 circle.
- 7-9 students at the jr. high doors (access through the alley on the west side of the school) or at one of the circles. (They can enter the main doors.)

### SCHOOL FEES ARE NOW DUE

Please pay your school fees online by setting up an account on SchoolCashOnline. Using a computer or laptop rather than a cell phone is recommended for your first time set up. (see instructions on page 4 of this newsletter). Also, shop projects must be paid for Semester 2. Some Semester 1 projects still have to be paid for and are ready for pick up.

### KINDERGARTEN REGISTRATION

Children who are 5 years old as of December 31, 2021 are eligible to attend the Kindergarten program for the 2021/2022 school year.

Kindergarten registration forms can be picked up between the hours of 8:30 a.m. and 4:00 p.m. in the school office. Copies of the child's Birth Certificate and Alberta Health Care card are required.

Mrs. Madoche's class did a pound workout in gym class. They were drumming to the music video as part of their dance unit. The students were really fun to watch as they drummed with drumsticks to the beat and did their dance moves at the same time.

### GR. 9 ORIENTATION FOR GR. 10

On March 9, at 9 a.m., Regional High School will be doing an orientation through Google Meet with our Gr. 9s. This Google Meet will inform the students of what is expected once they go to Gr. 10 next year. It's important that your Gr. 9 student attends that day and is on time for school.

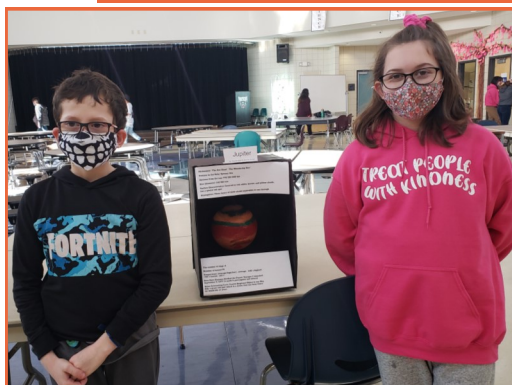

On March 11, Gr. 9s, along with their parents, are invited to an informational session given by Regional High School. This session will give an overview of required courses and pre-registration for high school next September. Call St. Paul Regional High School for more information 780-645-4491.

**WHAT IS A DIORAMA?** It is a exciting scene created in a small space.

Gr. 6s were working on planet dioramas in science class. Drayden Gill and Hannah Burton made a diorama on Jupiter. Amber Robbie, Brooklyn Newby and Beka Clarke made a Mars diorama. Fun projects!

The 6K town council took the initiative to decorate their homeroom door.

### Science 6D

students were making moon phases with Oreo cookies. In the end, it was a delicious science project.

### HANGING BASKETS FOR MOTHER'S DAY

Glen Avon Students' Union will be doing the hanging basket fundraiser again this year. On March 15, we will be emailing forms home to purchase live hanging flower baskets, hanging strawberries and hanging tomato plants in order to get them in for Mothers' Day. They are stunningly beautiful and will be a great addition to your yard this spring. **Orders are due back at the school on Wednesday, April 14.**

**February 24 - Pink Shirt Day - A Reminder to Be Kind to Everyone!**
