## Skating

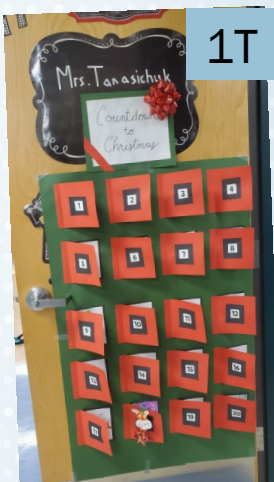

Gr. 5, 7, 8 & 9 all go skating as part of the Phys. Ed. Curriculum. It was a nice change from indoor activities in the gym.

## Deck the Door?

There has never been such an enthusiastic effort in Glen Avon's history of over 25 years where EVERY door was decorated and completed. They all looked fantastic! It was such a difficult job to judge! First place winners from each wing were the Countdown to Christmas, the Grinch mugshot and the 3D snowman. K-Gr. 3: 1T Gr. 4-6: 5M Gr. 7-9: 9S

## Hallway Games during Inclement Weather

Impromptu hallway games were set up during the last indoor recesses when it was too cold to go outside. Students raced through hoola hoops and challenged each other to win a hand of Rock/Paper/Scissors to move to the next round.

Christmas is preparations, concerts, music, food and sharing the spirit with all who are around us.

## Glen Avon's Computer Coding Club

Learn Python

Starting January 8th, 2020.

Wednesdays from 3:30 to 5:00, in the Computer lab.

Grades 7-9

A large number of students have signed up for the after school Coding Club. The session is full. It should be very interesting and a different kind of learning!

Thank you to the many volunteers who helped with our annual Christmas dinner (only a few are pictured here). Many hands make light work.

## NEW KINDERGARTEN ENTRY INFORMATION

Across Alberta, students must turn five years old by Dec. 31 to be registered in Kindergarten. This change allows students born between Jan. 1 and Dec. 31, 2015, to register for Kindergarten for the 2020/21 school year.

Kindergarten curriculum focuses on the following learning areas:

- Early literacy
- Early Numeracy
- Citizenship and identity
- Environment & community Awareness
- Personal and Social Responsibility
- Physical Skills & well being
- Creative Expression

More information about the Kindergarten program can be found at [mychildlearning.alberta.ca](http://mychildlearning.alberta.ca).
