Glen Avon School is having a Remembrance Day program on Thursday, November 7 at 10:00 a.m. Students are encouraged to wear black, white or red on that day. Parents are invited to attend.

Glen Avon is looking for pictures for our showcase of family members of our GA students that have served or are currently serving in our Canadian Armed Forces. We assure you that these military photographs will be protected (in the locked display case) and returned after the ceremonies. If you would rather take a picture of the photograph and text it to our iPad at 780-547-5772, that would be appreciated as well.

Step 2: Add your children

This screenshot shows the top portion of the registration form. It includes fields for Email (averageparent@myschool.com), Desired Username (averagepare), Password, and Re-enter Password. A green 'SIGN UP' button is visible. Below these is a section titled 'Link Students to Account' with a note: 'Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account.' The first student entry is partially filled with a Student Name of 'Any Student'.

Scroll down to the section called
“Link Students to Account”

This screenshot provides a detailed view of the 'Link Students to Account' section. It contains three numbered entry forms. The first entry is completed with: Student Name: 'Any Student', Access ID: 'Your child's Alberta Health Care number', Access Password: 'Your child's birthdate', and Relationship: 'Mother' (selected from a dropdown). The second and third entries are empty, showing fields for Student Name, Access ID, Access Password, and Relationship (with a '-- Choose' dropdown).

Enter your child's first and last name.

The **Access ID** is your child's Alberta Health Care number without any dashes or spaces in it.*

The **Access Password** is your child's date in the format **yearmonthday**. Month and day must be entered as two digits, so the birthdate of January 1, 2006 would be entered **20060101**.

Choose your relationship to your child from the drop down list.

Repeat for all of your children.

*If you have not provided an Alberta Health Care number to your child's school or have difficulty adding students, please contact the school office.

This close-up shows the bottom of the form where the 'Relationship' dropdown is set to '-- Choose'. A red arrow points to a small 'Enter' button located at the bottom right of the form area.

Scroll down to the bottom of the screen and click “Enter” when you are finished and you will be taken back to the “Sign In” page where you can enter your username and password.
